 - Feedback on recent events (December Pack Meeting, Pinewood Derby 101) – At the December Pack meeting liked that the round tables grouped Dens together. Need to have area for parents to sit close to their Dens. For serving drinks we should call up Dens one at a time to avoid a rush. For Pinewood Derby 101 schedule for a time other than school vacation. This could not be avoided this year, so the presentation is going to be emailed out to everyone.
